

BAHAMA SHUTTERS

Bahama Shutters are sold "per shutter". Price using pair width plus \$100 for bahama construction with substile. Add \$50 each additional substile. Bahamas have flush sanded stiles/rails. Available on 1 3/8" thick shutters only. Moveable louvers limited to one substile. Additional substiles available on heavy duty fixed louvers and panel shutters.

Example: 48" Wide Bahama Shutter = 24" pair price plus \$100 for bahama construction
